Are We Earning a 5-Star Review?

When rating your stay, please note that our ratings are not the same as the classic hotel rating system. Vacation rental platforms consider anything below a 4.6 as a negative review.

To give you a better understanding of our rating system, we have prepared the following **guide**:

I enjoyed my stay here.

There are many issues to fix.

Major problems with my stay.

Close down the listing.

Put the host in jail.

We always strive to give our guests a 5-star experience. If you feel your stay is not 5-star worthy, please contact us so we can do our best to make your experience great!
